Forward-Looking Statements

Statements contained in this press release which are not historical facts, such as the likelihood, timing and effects of the completion of one or both of this offering or this redemption, are forward-looking public statements. In addition, HealthSouth, through its senior management, may from time to time make forward-looking public statements concerning the matters described herein. All such estimates, projections, and forward looking information speak only as of the date hereof, and HealthSouth undertakes no duty to publicly update or revise such forward-looking information, whether as a result of new information, future events, or otherwise. Such forward-looking statements are necessarily estimates based upon current information, involve a number of risks and uncertainties, and relate to, among other things, future events, HealthSouth's plan to repurchase its debt or equity securities, dividend strategies, effective income tax rates, HealthSouth's business strategy, its financial plans, its future financial performance, its projected business results or model, its projected capital expenditures, or its leverage ratio. Actual events or results may differ materially from those anticipated in these forward-looking statements as a result of a variety of factors. While it is impossible to identify all such factors,

factors which could cause actual events or results to differ materially from those estimated by HealthSouth include, but are not limited to, any adverse outcome of various lawsuits, claims, and legal or regulatory proceedings involving HealthSouth, including its pending DOJ and HHS-OIG investigations; potential disruptions, breaches, or other incidents affecting the proper operation, availability, or security of HealthSouth's information systems, including unauthorized access to or theft of patient information or other sensitive information; significant changes in HealthSouth's management team; HealthSouth's ability to successfully complete and integrate de novo developments, acquisitions, investments, and joint ventures consistent with its growth strategy; changes, delays in (including in connection with resolution of Medicare payment reviews or appeals), or suspension of reimbursement for HealthSouth's services by governmental or private payors; changes in the regulation of the healthcare industry at either or both of the federal and state levels, including as part of national healthcare reform and deficit reduction; general conditions in the economy and capital markets; and other factors which may be identified from time to time in HealthSouth's SEC filings and other public announcements, including HealthSouth's Form 10-K for the year ended December 31, 2013 and Form 10-Q for the quarters ended March 31, 2014, and June 30, 2014.
