

## **HealthSouth Enters into Definitive Agreement to Acquire Encompass Home Health and Hospice**

PR Newswire  
BIRMINGHAM, Ala.

BIRMINGHAM, Ala., Nov. 24, 2014 /PRNewswire/-- HealthSouth Corporation (NYSE: HLS) (the "Company"), the nation's largest owner and operator of inpatient rehabilitation hospitals, today announced it has entered into a definitive agreement to acquire privately held EHHI Holdings, Inc., which owns Encompass Home Health and Hospice ("Encompass"), for approximately \$750 million, subject to certain customary adjustments. The transaction was approved by both companies' boards of directors and is expected to close before the end of 2014.

Founded in 1998 and based in Dallas, Texas, Encompass is the fifth largest provider of Medicare-focused, skilled home health services in the United States. It operates in 140 locations across 13 states, with approximately 5,000 employees making more than 2.1 million patient visits annually. Encompass is currently owned by Cressey & Company LP, a leading healthcare-focused private investment firm.

"One of our stated strategic objectives has been to expand into home health, assuming we were able to acquire a high-quality, scalable asset that was capable of consolidating the highly fragmented home health industry. Today we are very pleased to announce the acquisition of the company we believe fits these requirements," said Jay Grinney, HealthSouth President and Chief Executive Officer. "Encompass' expertise in home health complements HealthSouth's leadership position in inpatient rehabilitation. Encompass' exceptional management team, strong corporate culture, and track record of successfully providing high-quality, cost-effective home care services has positioned the company as a leader in the home health industry. In addition to being best-of-class operators, Encompass also has demonstrated an ability to acquire under-performing home health entities and incorporate them onto their operating platform: since 2005 the company has successfully integrated 45 separate acquisitions. By utilizing HealthSouth's strong free cash flow, we believe we can accelerate this pace of consolidation while, at the same time, continuing to expand our inpatient rehabilitation portfolio. Finally, we believe bringing these two companies together positions us to be highly competitive in the evolving healthcare delivery system by offering both facility-based as well as home-based post-acute services on a comprehensive, coordinated basis."

April Anthony, Chief Executive Officer of Encompass, added, "We are thrilled to be joining HealthSouth and are confident that our mission of delivering a better way to care for our employees, patients, referral sources and all of our stakeholders will align well with HealthSouth's mission and allow our merged organizations to continue to provide high-quality post-acute services to the communities we are privileged to serve."

The closing of the transaction is subject to certain customary closing conditions and regulatory approvals, including expiration or termination of all applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended.

J.P. Morgan Securities LLC is acting as exclusive financial advisor to HealthSouth. Skadden, Arps, Slate, Meagher & Flom LLP is acting as legal advisor to HealthSouth.
