

HealthSouth Announces Pricing Of \$300 Million Senior Notes Offering

PR Newswire
BIRMINGHAM, Ala.

BIRMINGHAM, Ala., March 9, 2015 /PRNewswire/ -- HealthSouth Corporation (NYSE: HLS) today announced the pricing of its underwritten public offering of \$300 million of its 5.125% senior notes due 2023 at a public offering price of 100.000% of the principal amount. The Company will pay interest on the notes semiannually in arrears on March 15 and September 15 of each year, beginning on September 15, 2015. The notes will be jointly and severally guaranteed on a senior unsecured basis by all of its existing and future subsidiaries that guarantee borrowings under the Company's credit agreement and other capital markets debt. The offering is expected to close on March 12, 2015 and is conditioned on the satisfaction of customary closing conditions.

The Company intends to give notice of its redemption of all the outstanding \$290 million of its 8.125% senior notes due 2020. The Company intends to use the net proceeds from this offering along with cash on hand to fund the redemption.

SunTrust Robinson Humphrey; BofA Merrill Lynch; Barclays; Citigroup; Goldman, Sachs & Co.; J.P. Morgan; Morgan Stanley; RBC Capital Markets; and Wells Fargo Securities will act as joint book-running managers of the offering.

Forward-Looking Statements

Statements contained in this press release, such as the likelihood, timing and effects of the completion of this offering and the senior notes redemption, are forward-looking statements. In addition, HealthSouth, through its senior management, may from time to time make forward-looking public statements concerning the matters described herein. All such estimates, projections, and forward-looking information speak only as of the date hereof, and HealthSouth undertakes no duty to publicly update or revise such forward-looking information,

whether as a result of new information, future events, or otherwise. Such forward-looking statements are necessarily estimates based upon current information, involve a number of risks and uncertainties, and relate to, among other things, future events, HealthSouth's plan to repurchase its debt or equity securities, dividend strategies, effective income tax rates, HealthSouth's business strategy, its financial plans, its future financial performance, its projected business results or model, its ability to return value to shareholders, its projected capital expenditures, or its acquisition activities and opportunities. Actual events or results may differ materially from those anticipated in these forward-looking statements as a result of a variety of factors. While it is impossible to identify all such factors, factors which could cause actual events or results to differ materially from those estimated by HealthSouth include, but are not limited to, the demand for the securities being offered; the accuracy of the representations made by Encompass in connection with the acquisition; any adverse outcome of various lawsuits, claims, and legal or regulatory proceedings that have been or may be brought by or against HealthSouth, including its pending DOJ and HHS-OIG investigations as well as those related to yet undiscovered issues, if any, at Encompass; adverse effects on the price of HealthSouth's securities resulting from the integration of Encompass; the ability to successfully integrate Encompass consistent with HealthSouth's growth strategy, including realization of anticipated revenues, cost savings, and productivity improvements arising from the related operations and avoidance of unforeseen exposure to liabilities; changes in HealthSouth's or Encompass' management team; changes in the regulation of the healthcare industry broadly or in the inpatient rehabilitation, home health and hospice areas specifically at either or both of the federal and state levels; competitive pressures in the healthcare industry broadly or in the inpatient rehabilitation, home health and hospice areas specifically and HealthSouth's response thereto; potential disruptions, breaches, or other incidents affecting the proper operation, availability, or security of HealthSouth's information systems, including the unauthorized access to or theft of patient or other sensitive information as well as unforeseen issues, if any, related to integration of Encompass' systems; changes, delays in (including in connection with resolution of Medicare payment reviews or appeals), or suspension of reimbursement for services by governmental or private payors; general conditions in the economy and capital markets; and other factors which may be identified from time to time in HealthSouth's SEC filings and other public announcements, including HealthSouth's Form 10-K for the year ended December 31, 2014.
