### Forward-Looking Statements

*Statements contained in this press release which are not historical facts, such as the redemption of senior notes, are forward-looking statements. In addition, HealthSouth, through its senior management, may from time to time make forward-looking public statements concerning the matters described herein. All such estimates, projections, and forward-looking information speak only as of the date hereof, and HealthSouth undertakes no duty to publicly update or revise such forward-looking information, whether as a result of new information, future events, or otherwise. Such forward-looking statements are necessarily estimates based upon current information, involve a number of risks and uncertainties, and relate to, among other things, future events, HealthSouth's business strategy, its future financial performance, and its projected business results or model. Actual events or results may differ materially from those anticipated in these forward-looking statements as a result of a variety of factors. While it is impossible to identify all such factors, factors which could cause actual events or results to differ materially from those estimated by HealthSouth include, but are not limited to, any adverse outcome of various lawsuits, claims, and legal or regulatory proceedings that may be brought by or against HealthSouth; changes in the regulation of the healthcare industry broadly or the inpatient rehabilitation, home health and hospice areas specifically at either or both of the federal and state levels; the ability to maintain proper local, state and federal licensing where the company does business; potential disruptions, breaches, or other incidents affecting the proper operation, availability, or security of HealthSouth's information systems, including the unauthorized access to or theft of patient or other sensitive information; changes, delays in (including in connection with resolution of Medicare payment reviews or appeals), or suspension of reimbursement for HealthSouth's services by governmental or private payors; general conditions in the economy and capital markets; and other factors which may be identified from time to time in HealthSouth's SEC filings and other public announcements, including HealthSouth's Form 10-K for the year ended December 31, 2014 and Form 10-Q for the quarters ended March 31, 2015 and June 30, 2015.*
