

Encompass Health Rehabilitation Hospital of Fort Mill Now Open in South Carolina

The 39-bed inpatient rehabilitation hospital is Encompass Health's 165th hospital.

BIRMINGHAM, Ala. and FORT MILL, S.C., Sept. 24, 2024 /PRNewswire/ -- Today, Encompass Health, the nation's largest owner and operator of inpatient rehabilitation hospitals, announced the opening of Encompass Health Rehabilitation of Fort Mill in South Carolina. The 39-bed inpatient rehabilitation hospital, located at 2260 Vista Road, is Encompass Health's 165th hospital nationwide and its ninth hospital in South Carolina.

Encompass Health Rehabilitation Hospital of Fort Mill provides essential rehabilitative services that help patients recovering from strokes, brain injuries, spinal cord injuries, amputations and complex orthopedic conditions regain function and independence. Patients receive a minimum of three hours of intensive therapy for five days each week, frequent physician visits and 24-hour nursing care.

"The need for inpatient rehabilitative care in the Fort Mill and greater Charlotte area has been growing rapidly" said Scott Butler, area CEO of Encompass Health Rehabilitation Hospitals of Fort Mill and Rock Hill. "We look forward to providing the kind of compassionate, high-quality rehabilitative care that will help our patients get back to what matters most."

Hospital amenities include all private patient rooms, a spacious therapy gym featuring advanced rehabilitation technologies, an activities of daily living suite, in-house dialysis suite, therapy courtyard, dining room, in-house pharmacy and dayroom areas. An interdisciplinary team of highly specialized nurses, therapists and physicians provide physical, occupational and speech therapies to restore functional ability and quality of life.

"We're honored to be the trusted choice for inpatient rehabilitation in the U.S.," said Ronnie Wagley, president of Encompass Health's South Atlantic region. "Our nationwide network enables us to identify and implement best practices and advanced technologies to support every aspect of a patient's recovery. We're excited to bring high-quality care to patients close to home in the Fort Mill and greater Charlotte community."
